A Weekly Newspaper Devoted to Furthering the Civic and Rural Interests of the Whole of Washington Township

49 YEARS OLD — FRIDAY, DECEMBER 3, 1937 NILES, CALIFORNIA — NO. 48

AROUND *the* TOWNSHIP

Absence of lights or reflectors designating entrances to Niles from the newly constructed Oakland-San Jose highway is rapidly becoming the township's No. 1 driving hazard. Of late, some business men who might likely lay claim to being oldtimers in this vicinity have admitted the practical impossibility of being reasonably sure of making the curves. How much more dangerous for the unfamiliar motorist to attempt to make these dark turns!

A Niles Chamber of Commerce committee is busy, however, and assurances are that the evil will be corrected at the earliest possible moment. In the meantime, watch your driving!

* * *

And, speaking of timely and attractive window displays, have you seen the one at the Niles MacMarr Store?

It's just about the most appropriate lay-out we can imagine for heralding the Christmas season. It's all there—the mountains, the waterfall, beautiful blue lake and almost all the accoutrements for a full fledged mountain-type railway, blanketed in snow! The train, five cars and a locomotive, with a couple of spare cars on a siding—negotiates the electrified third rail track in a wide-sweeping circle, tunneling its way through the mountain. Plenty of color is derived from the lighted semaphores and signal switches.

We label it, "Christmas Time in the Sierras". The scene bespeaks hours of painstaking labor and loads of creative genius with plaster of Paris, ice cream salt, switches and things electric, under the masterful hand of Mr. Viery.

* * *

Ain't life grand? While scores of pairs of feminine hands were literally itching to get hold of it, the handsome mix-master door prize at the Wedgewood Firemen's shin-dig down at Swiss Park Saturday night—went to Charlie Champion, whom we are reliably informed is a bachelor. Ah, well, it will make a nice Christmas gift for somebody's kitchen.

* * * *

A variety of musical entertainment is being provided week ends at the Columbia Grill in Niles, more often than not being staged by Township talent. This week end it is to be Hawaiian and Cowboy and may be the cow ponies will be there-but not the cows. Pete, the genial proprietor, appears to be working on the theory that you can't take the town to the city, but you can bring a little of the city to town.

Annual Christmas Seal Sale Begun By Local Groups

Piles of letters, each containing the gaily colored Christmas Seals arrived in Washington Township on Thanksgiving Day. They are being sent to residents of Alameda County by the Alameda County Tuberculosis and Health Association and they help finance a year around campaign against tuberculosis.

Mrs. S. M. Marks, president of the Tuberculosis Association, speaking of the 1937 Christmas Seal today said:

"The design on the penny Christmas Seal this year depicts a jolly colorful town crier. Garbed in his blue cloak and three corner hat, so brings to mind one of the most popular and ancient characters of many lands—the man who went from house to house in small towns and villages to warn of danger, to spread the news and to protect the householder.

"Today, on the modern Christmas Seal, he still spreads the news that tuberculosis can be prevented and cured and that our homes can be protected from this devastating disease.

"Christmas Seals you buy during this holiday season help furnish medical care for the ill, locate sources of infection so that the well may be protected and carry on a continuous work of education about tuberculosis among our people."

REVOLUTIONARY WAR DOCUMENTS VIEWED BY MILITARY CHAPTER

DECOTO—Robert E. Emerick of Hayward and Frank J. Thomas of Decoto attended a meeting of the Woodrow Wilson Chapter of the Military Order of the Purple Heart in San Francisco on Wednesday night of last week.

Among the distinguished guests was Harry H. Bissell of San Francico, who is a direct descendant of Sergeant Daniel Bissell who served in the Revolutionary War and was one of the first soldiers of George Washington's Army to receive the Purple Heart decoration.

Sergeant Bissell today is listed in the annals of the War Department as a deserter from the Colonial Army. General George Washington purposely listed Sergeant Bissell as a deserter so he could better serve the Colonial forces as a spy in the English Army, which he did for over a year, giving valuable information to General Washington.

Mr. Bissell of San Francisco displayed a document signed by Daniel Bissell in 1798, who then was a captain, requesting John A. McClellan to repair to the state of Connecticut and organize a regiment of troops for the U. S. forces. Mr. Bissell also showed other interesting documents of the Revolutionary period.

Lovely Wedding Berkeley Miss And Niles Man

NILES—One of the loveliest weddings witnessed recently by Washington Township folk was that of Marshall Green, son of Mrs. Fred Mitte of Niles, and Miss Betty Crowhurst of Berkeley solemnized last Sunday afternoon at St. Mark's Episcopal church in Berkeley.

Autumn foliage and flowers were used in the church decorations. Dresses worn by the maids and matron of honor ranged from rust to pale yellow. The bride's dress was of eggshell satin.

Following the ceremony a reception and tea was held at the home of the bride's parents, Mr. and Mrs. Frank Crowhurst of 1012 Ordway st., Berkeley. Assisting in receiving were the bride's aunts, Mrs. Fred Crowhurst and Miss Mary Crowhurst.

The couple left by auto for a southern honeymoon of two weeks, after which they will reside in Berkeley. The groom is employed by the Bank of America in San Francisco.

The wedding service was read by Dr. Clyde W. Smith, executive secretary of the Presbyterian board of San Francisco and an uncle of the groom. Vocal numbers were given by Mrs. Fred Krelle of San Anselmo, contralto. She sang "At Dawning," and "I Love You Truly". Mrs. Krelle is a sister of the groom's mother.

The maid of honor was Miss Donna Rea Schuster. She wore rust taffeta made princess style. The matron of honor, Mrs. Morrison Green wore orange taffeta, and the bridesmaids, Miss Judith Moore and Miss Dorothy Miller were in gold and pale yellow. They wore coronets of matching chrysanthemums and carried old-fashioned bouquets of the same blossoms.

The bride's dress was also made princess style with long train and train length veil. She wore a cap of lace and orange blossoms and her flowers were a shower of white cyclamen, bouvardia, lillies of the valley, gardenias and orchids. Her going-away costume was a rust tweed suit with black accessories.

Morrion Green, brother of the groom, was best man and the ushers were Everett Mendenhall and Ray Banum of Niles and John Waite of San Francisco.

The bride's mother wore blue brocaded satin with matching accessories and the groom's mother wore green taffeta brocaded with gold. Their flowers were orchids.

The bride's bouquet was caught by Miss Dorothy Miller, one of the bridesmaids.

At the reception there were 125 guests. The bride's table was spread with white damask and decorated with white chrysanthemums and white candles. An assortment of lovely gifts received by the couple was on display.

Entered as second lass matter at the post office at Niles California, under Act of Congress March 3, 1879.

Determined a Newspaper of General Circulation by Decree of the Superior Court (Department 6), of Alameda County, California.

OBJECTIVE FOR 1938

An improved, lighted and landscaped road from Niles to Alvarado—major improvements to the present thoroughfare—connecting with the proposed East Bay Highway which would parallel the Bay Shore Line Highway and traverse Alameda and Santa Clara counties from Oakland to San Jose, appears to be about the biggest piece of beneficial macadam that could be laid for the northern half of Washington Township.

Such a connection, in the opinion of many citizens, would largely compensate the Niles community for being placed on a "cut-off" of the newly routed Oakland-San Jose highway as State Route No. 101. Also, such an artery would make an excellent feeder for traffic to other towns in the Township.

A little late for this Christmas, perhaps, but it would be a most useful gift for Santa to place in our stocking in 1938. A hint to the wise usually is sufficient and Santa is a very owl-like individual.

THE LIVING YULE TREE

Activities during the Christmas season are just about as commendable as they are numerous, but in our opinion there are few community-spirited movements more worthy of cooperation than that of "an outdoor Christmas tree for every California home."

Competitions for the best in lighted and decorated living trees are now going forward in many localities of the state and nation. The community tree, with its attendant program and treat for the kiddies, has become a fixed institution in many towns no larger than the eight listed in Washington Township. All of this effort is climaxed on Christmas Day by the ceremonies at the foot of the General Grant Tree in the High Sierras, which program is broadcast to the nation.

In absence of any organized effort in this direction, a considerable portion of the desired emphatic effect can be obtained this Christmastide with a minimum of labor and expense on the part of those residents of the township whose lawns are graced by a living tree of the evergreen varieties.

The pleasure of the inside tree, which is the source of so much joy to the kiddies of the household, need not be foregone. However, a few strings of colored lights, and a packet or two of tinsel and ornaments will work wonders with the outdoor living tree, which will radiate the Yuletide spirit far beyond the confines of the individual home.

Light up your living tree this Christmas!
